**To Whom It May Concern:**

This is to confirm that **Rita Eisenmann** was a student in The Shift Network's **20-Module** online training, **Neuroacoustic Science Training**, with **Dr. Jeffrey Thompson**. The course concluded on **February 23, 2026**.

The goal of this course was to **Learn the most advanced principles of neuroacoustics, vibrational medicine, and brainwave science to design custom soundscapes that heal emotional wounds, optimize brain function, and expand consciousness — for yourself and others. Deepen your understanding of how sound interacts with the brain, body, and biofield — and develop practical skills to harness frequency and subtle energy as powerful healing tools.**

The instruction included **20** live teaching modules, averaging **1.5 hours** in length per session, for a total of **30** educational contact hours. Additionally, participants were assigned materials to study and homework to complete between sessions to deepen their understanding of the subject.
